

Do you have what it takes to be eXtrem?

Half-year Cheer Teams

- Season runs November - April
- Ages 5-18 years old
- No uniform purchase
- Will not conflict with Pop Warner, AYF or school teams
- Only \$200 for the season which includes comp fees

Our half-year teams are offered for athletes who don't want to stop cheering once their football season ends or who are not interested in the commitment of a full-year All-star team. These teams will be coached by All-star coaches and receive the benefits of learning in an All-star facility equipped with gymnastics training equipment and a full-size spring floor. Our half-year teams will learn a challenging routine and compete in local competitions. Improve your jumps, tumbling and continue what you love to do — cheerleading!

Come check it out and see why competitive cheerleading is the fastest growing sport in the nation. There will be teams all ages and abilities—there is a team for you! Call today!
